

Avon Library Branch Expansion

Sidewalk Superintendent | February 2022

Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into fall of 2022.

The latest news

While January’s snow and single-digit temperatures were challenging, construction is moving forward.

Activities included:

- A new sanitary connection out to Colorado Ave.
- Wall layout for the south addition
- Steel erection begins January 31st!

New sanitary line

What’s to come in February

February will be a busy month.

Look for:

- Steel erection on the south addition will be complete
- Exterior wall framing and roof trusses will begin
- North addition foundations will be installed

Future stormwater retention system

Project communications

Throughout construction a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.
