

Avon Library Branch Expansion

Sidewalk Superintendent | *March 2022*

Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into fall of 2022.

The latest news

February's weather remained challenging, but we're excited to have the additions up out of the ground.

Activities included:

- Foundations were completed for the north addition
- New steel is 90% complete
- Trusses are in place on the south addition

What's to come in March

- Completion of trusses and installation of roof decking
- Start of exterior walls

Project communications

Throughout construction a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.
